Description

Featuring an innovative hull design, built in fibreglass & carbon fibre, allowing navigation from displacement to planing modes, this fine example AZIMUT GRANDE 35 METRI motor yacht was built in 2019 to a very high specification by the Italian shipyard Azimut Yachts.

This 115' 5" AZIMUT GRANDE 35 METRI Tri-deck yacht is for sale, and offers unprecedented solutions for a boat this size, representing a masterpiece of style and space. A wide-body Superyacht with a third level for an additional sundeck, side garage for tender and jet ski, a large beach club in the stern and a beam-wide Owner's suite on the main deck with spectacular views to the sea.

This motor yacht's interior has been designed by Achille Salvagni. She has a powerful classic beauty combined with elegant interior, tastefully decorated in a contemporary style, while her hull and naval architecture were penned by Pierluigi Ausonio and the Azimut Research and Development Department, and her exterior styling and design are the work of Stefano Righini. With a gross tonnage of 269 GT and a 7.5m beam, she offers splendid volumes inside and outside. She is one of 19 GRANDE 35M models built to 2021.

Boasting comfortable accommodation for up to 10 guests in 5 en-suite staterooms, she is a great example of quality and style, well equipped with comfortable zero-speed stabilizers, state-of-the-art entertainment equipment, all the amenities and air conditioning throughout.

The yacht's interior configuration comprises an on-deck and beam-wide master suite, 3 double cabins and 1 twin cabin. She is also capable of carrying up to 6 crew onboard in 4 cabins to ensure a relaxed luxury yachting experience.

Powered by twin 2400 Hp Diesel engines, this AZIMUT GRANDE 35 METRI motor yacht is capable of a top speed of 28 knots, and comfortably cruises at 22 knots, with a considerable range of 1500 nm at economical cruising speed up to 12 knots.

Early offers and viewings are highly recommended.

KEY FEATURES

- Competitively priced
- Low Hours
- Immaculate condition
- 5-Cabin Layout for 10 Guests, Owner's Suite on Main Deck offering formidable sea views
- 6 Crew
- Zero-speed stabilizers
- Azimut D2P® displacement to planing hull combining the comfort typical of a displacement hull with the performance of a planing hull and significantly improving fuel efficiency. This innovative feature is based on a double chine hull design with wave piercer which allow the yacht reaching high top speeds without needing particularly powerful engines or navigate in displacement mode with a remarkable range at a cost-effective speed. The hull has been optimised for the full range of most frequently used speeds of 10-12 knots and cruising speeds in semi-displacement mode
- Side garage for a 5-meter tender plus a 3.25-meter jet-ski, leaving the stern completely free for a magnificent 12 m2 beach area provided by the big pivoting swim platform
- Some Transferable Warranties possible
