## Description

This superb AZIMUT GRANDE 35M motor yacht was built in 2020 to a very high specification by the Italian ship builder Azimut Yachts. This tri-deck yacht features an innovative hull design, built in fibreglass & carbon fibre, allowing navigation from displacement to planing modes.

This AZIMUT GRANDE 35M for sale, also offers unprecedented solutions for a yacht this size, representing a masterpiece of style and space. A wide-body Superyacht with a third level for an additional sundeck, side garage for tender and jet ski, two big beach clubs in the stern and bow and an Owner's suite on the main deck with a spectacular fold-out terrace.

This Superyacht's interior has been designed by Achille Salvagni. She has a powerful classic beauty combined with elegant interior, tastefully decorated in a contemporary style.

Featuring accommodation for up to 11 guests in 5 en-suite staterooms, she is a great example of quality and style, well equipped with comfortable zero-speed stabilizers, state-of-the-art entertainment equipment, all the amenities and air conditioning throughout.

The yacht's interior configuration comprises an on-deck and beam-wide master suite, 2 double cabins and 2 twin cabins, one of the later with additional Pullman bed. She is also capable of carrying up to 6 crew onboard in 4 cabins to ensure a relaxed luxury yacht experience.

Powered by twin 2400 Hp Diesel engines, this AZIMUT GRANDE 35M motor yacht is capable of a top speed of 26 knots, and comfortably cruises at 21 knots, with a considerable range of 1500 nautical miles at economical cruising speed up to 12 knots.

Early viewings and offers are highly encouraged.

## KEY FEATURES

- Competitively priced
- Splendid condition
- 5-Cabin Layout for 11 Guests, Master on Main Deck
- 6 Crew
- Zero-speed stabilizers
- Bow and stern thrusters
- Azimut D2P® displacement to planing hull combining the comfort typical of a displacement hull with the performance of a planing hull and significantly improving fuel efficiency. This innovative feature is based on a double chine hull design with wave piercer which allow the yacht reaching high top speeds without needing particularly powerful engines or navigate in displacement mode with a remarkable range at a cost-effective speed. The hull has been optimised for the full range of most frequently used speeds of 10-12 knots and cruising speeds in semi-displacement mode.
- Owner's suite features a private fold-out instant balcony to port side providing unobstructed panoramic sea views
- Third level for additional sundeck (almost 30 m2), with access from the upper deck in the stern
- Side garage for a 5-meter tender plus a 3.25-meter jet-ski, leaving the stern completely free for a magnificent 12 m2 beach area provided by the big pivoting swim platform
- Jacuzzi on bow deck
